

BENEFITS OF USING HARQUIN BOOKKEEPING AND CONSULTING SERVICES

1.) Become more organized and efficient; get a clear picture on how your business is doing at any given time. Knowing this will help you to make more educated decisions and show you where you can cut costs.

2.) Using our services is cheaper than hiring an employee. We are dependable and you will have the assurance that everything is done right. Also, you will not have to worry about paying FUTA, ODJFS, BWC, Medicare, Social Security, overtime wages, sick and personal leave, and insurance benefits.

3.) It's definitely less stressful than doing it all of yourself. As a small business owner you are usually doing 5 different jobs at any given time. Why deal with the stress of working with your customers all day and have to spend your nights and weekends wrestling with paperwork? Why stress over how you're going to get everything paid in time so that you don't incur any penalties? Why wait until tax season rolls around to get all of your financial documents together? We can take all of that off of your shoulders! We guarantee open lines of communication and professional on time service that is very comfortable, AFFORDABLE, dependable and convenient.

4.) Having a bookkeeper helps cut cost at tax time! Do you really want to pay your accountant anywhere from \$100 - \$200 PER HOUR to sort through a pile of papers? Let your accountant do your tax returns and let HarQuin Bookkeeping do everything else- for less! With HarQuin doing your bookkeeping you will know that everything is in the right place so at the end of the year you can just hand your accountant the file and that's it! No more tax-time hassle!!
